Regarding Comptroller DiNapoli's Road and Bridge Report

MARTIN MALAVÉ DILAN October 30, 2009

| ISSUE: **TRANSPORTATION, HIGHWAYS, DMV (DEPARTMENT OF MOTOR VEHICLES),
ALTERNATIVE TRANSPORT**
| COMMITTEE: **TRANSPORTATION**

 I thank Comptroller DiNapoli for his in-depth report highlighting the near 20-year foray into the state's dedicated road and bridge fund. I look forward to working with the Comptroller as we seek to restore and re-dedicate funding to our transportation infrastructure and avert another Crown Point Bridge.

Attached is Comptroller Dinapoli's report.
