FIND THE TICKS

Ticks hide on grass, leaves and bushes – often at knee or waist high – near the edges of woods or paths. Find the 8 hidden ticks... before they find you!

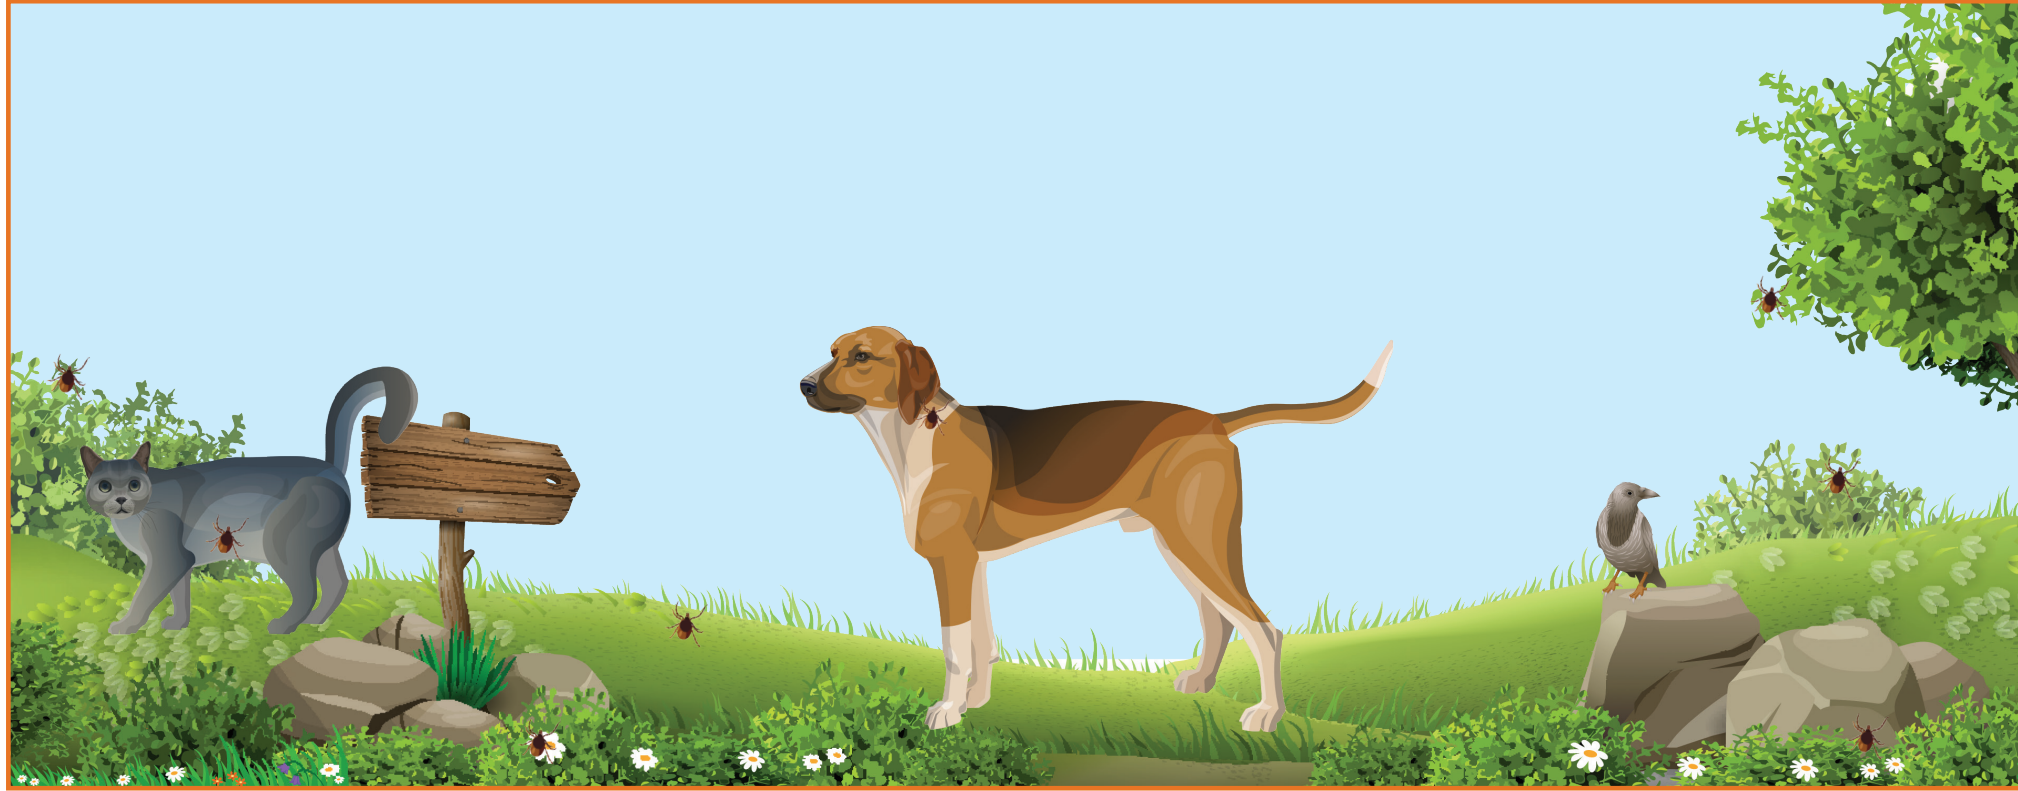

PHOTO GAME

Always check yourself and your pets after playing outside. Wear bright or light colored clothing when you are outside. This will help you to spot the ticks before they attach themselves to your skin. Can you find the 6 differences between the photos below of a dog getting a tick check?
